FIRST PROTEST RECEIVED.

A Property Holder Who Claims for His Lot More Than Allowed for It. William Rothwell, owner of sublot 13, square 131, is the first to file an objection to the award made by the jury to condemn ground for the new library site. He proposed to sell his property to the government for \$5,000, and the jury awarded him only \$2,500.10. He claims that this amount is insufficient from the fact that this amount is insufficient from the fact that he cannot purchase property in the vicinity, cligitly located, for much less than twice too smount awarded. Further, he says that it will break up his business (plumbling and gas fitting), as there is no place in the vicinity smitable that he can reant typrosecute it. He will be competled to buy a lot and build, and as the ury has only allowed him about one-hair sundicent for to purchase the ground he thinks that evidence sufficient of the destruction of his business. He is sure this was not he intention of the government. He is willing to sell for a reasonable figure, but not at such a price as will be an injury and hardship to him.

" What is Woman's Work ?" "What is Woman's Work?"
Be did bot know, so she said: "W. O. man"
(double you, O man). But a woman feels worth
little if disease has invaded her system and is
daily sapping her strength. For all lemale
weaknesses. Dr. R. V. Pierce's "Favorite Prescription" stands unrivated. It cures the complant and builds up the system. Send Bo cents

Men and Women

Who are constantly nervous are, in nineteen
bases out of twenty, dyspoptic. The twentieth
case will be found, upon investigation, to be
that of a person who is troubled with symptoms of indigestion. Thinness, unnatural
anxiety, peevishness, buzzing in the cars, a
disposition to start on the sudden closing of a
door, tremulousness of the hands—more particularly of the right—show that the nerves
are weak and unsteady. Hostetter's Stomach
Bitters strengthens and quiets the nerves.
This effect is a speedy consequence of its invigorating and regulating action upon the
organs of digestion and assimilation. It enriches the blood, conquers a chronic tendency
to billousness, relieves sick and nervous headaches, and regulates the bowels without
griping them. A more trustworthy defense
against lever and ague does not exist, and it
subdues a tendency to rhounatism, kidney
and bladder derangement. Taken before retiring, it induces sound repose.

All's Well that Ends Well.

whom June of 1886 has been "plucked as a brand from the burning." While, no doubt, the popularity of the Palais Royal is such that an appeal to the public would not be without recognition, it should be remembered that such appeal must be made primarily through the press, and here is a good illustration of the efficiency of advertising. The sales of the Palais Royal up to June 20 were considerably less than for a corresponding time in June, 1985. The REPUBLICAN was requested to so inform the public and request especial patronage for the balance of the month; and which was done with such effect that the total sales of June, '86, have exceeded June of '85. Moral—Merchants should advertise when business is dull.

Great Reduction to San Francisco by the Pennsylvania R. R.

the Pennsylvania R. R.

Secret Sessions

Are never held in the House of Representa-tives whereof A. Kauffman is speaker. Indeed, they would be impossible there; the doors of the bouble Combination Stores, 1241-43 Eleventh street southeast, could not resist the pure pressure of the outside crowd, eager and determined to have the advantage of his unexampled bargains. What are these bargains? We answer, Yankee fashion, by another question: Are they not published in full elsewhere to day in our journal? Read, be enlightened, purchase, and be rich and happy.

lightened, purchase, and be rich and happy.

THE Baltimore and Potomac Baltroad Company announces great reduction in rates over its line for the holidays. Round trip tickets will be sold July 2, 3, 4, and 5, good to return until the 6th instant, between all stations, at 2 cents per mile. Round trip tickets to Baltimore under this reduction are \$1.50. The train service of this unrivaled line is such as commends itself to all traveling for business or pleasure. Sixteen trains between the two cities. The stations of this popular route are centrally located. The only line using the block signal system in movement of trains. For information inquire at ticket offices of company or consult the advertisement.

Restored to the Navy. Secretary Whitney has restored to the navy Clarence H. Matthews, John C. Leonaro, An-Clarence H. Matthews, John C. Loonaro, Andrew McAllister, Willis B. Day, and Robert B. Higgins, who graduated as cadet engineers, but who, with one exception—Higgins, who entered the revenue marine service—were discharged for deficiency or physical disability upon the examination as naval cadets two years later. The action of the Secretary was based upon an opmion of the Attorney General under the decision of the Supreme Court.

"This will last out a night in Russia when nights are longest there," he said, clasping his hand over the aching tooth. But a friend sug-gested Salvation Oil, and he was fast asleep in twenty seconds. Price 25 cents a bottle.

Gold Life-Saving Medals Awarded. Gold life-saving medals have been awarded by the President to Capt. C. Nagel, H. Barz, and W. A. Goos for services rendered to the shipwresked crew of the American schoones Florence, March 1, 1886, and to Dario Laguno y Dapena, Jose M. Santiago, and Sandalio Berrano for bravery in saving the crew of the American schooner C. Haurahan, March 25, 1886.

"Look Before You Leap." "Look Before You Leap."

Before you commit yourself, in ill-health, to the tender mercies of any physician, be sure that he is a skillful man. If you need some tonic or nervine to revive exhausted nature, don't go blindly to the druggist and ask for the first thing you see. Look before you leap; find out what fits your cass. Whatever your ailment—disordered liver, dyspensia, indigestion, or what not—the primary thing is to get your system in tone. Dr. Healey's Celery, Beef, and Iron will do this to a charm.

SCIATICA. AND RHECMATISM CURED.

I suffered with Sciatica and Rheumatism four years, and for a year was unable to work. I was treated by good physicians for it all that time, but got no relief. One application of electricity by 1r. Nicholson took all the pain out, and a few cured me. I am at work every day, and have no pain.

I suffered more or less from Sciatica and Rheumatism for three years; gradually graw worse, and finally confined me to bed, and for three weeks was unable to turn myself or move my limbs. Other treatment failing, I tried Dr. Nicholson. After a few treatments I went to work. Improvement continued. I have now been free from pain a sufficient length of time to convince me I am cured.

Consultation free. Patients objecting to electrical treatment by reason of removal of clothing are treated without such inconvenience.

CONTAGIOUS!

In March of last year (1984) I contracted blood poison, and being in Savannah, Ga., at the time, I went into the hospital there for treatment. I suffered very much from rheumatism at the same-time, I did not get well under the treatment there, nor was I cuted by any of the usual means. I have now taken seven bottles of Swift's specific and ass sound and well. It drove the poison out through bells on the Skin.
